

Basic Computer Skills Workshop

What will you learn?

This training ranges from the basics, such as how to turn on a computer, searching the Internet, creating and using emails. The course will also show you how to make your first claim online and tell you what information you will need to do this.

Universal Credit is a single benefit payment that is replacing six other benefits and tax credits. Knowing if you are entitled to payments could help your finances and those of your family. Universal Credit is available in some areas of the country currently, but it will be available everywhere soon.

Workshop Date and time

20th July between 11:00-14:00

Location

Ace of Clubs, St Alphonsus Road, SW4 7AS
